SUBJECT: EVALUATION FRAMEWORK FOR
OBJET: COMMON SERVICES

Further to our previous discussions on the use of performance measurement for common services activities, please find enclosed the consultant's final report on the establishment of an Evaluation Framework for the Common Services project.

I have asked the consultant, Bill Cooke, to provide us with a presentation in the next Task Force meeting that is scheduled for early October. The presentation would provide us with an opportunity to raise questions as well as comment on the proposed recommendations.

Regards.
