Dear Mr. Fisher,

As agreed and further to our Common Services Task Force Meeting of 8 September 2003, please find attached budget for the Digital Archives Programme Project Manager that will cover the period November 2003 - December 2005.

In this connection, I would request UNOPS to disburse their share of \$45,500 , which covers the extended period of the Project Manager until 31 December 2005 under the current Common Services Formula (40% UN Secretariat, 15% each of the four other Participating Organizations).

Please note that this budget does not cover the DAP Phase II Implementation. As briefly noted in the meeting, the Implementation funding formula and subsequent commitments will be subject to Phase I [Strategic Plan] outcomes and agreements by Task Force members which will be reviewed in the later part of 2004.
